ABOUT US

BradSmart Phils. Co., established in January 2019, began its operations in Quezon City and is now proudly based in Sta. Maria, Bulacan, Philippines. As a growing and trusted provider of electrical panel board fabrication, supply, and technical services, the company has built a solid reputation for delivering reliable and precision-engineered power distribution solutions across residential, commercial, and industrial sectors.

Since its relocation to Bulacan, BradSmart has expanded its capabilities to better serve clients throughout Luzon and nearby regions. This strategic move has strengthened the company's logistics and production capacity, allowing for more efficient operations and faster response times. Every product is designed and fabricated with a strong commitment to safety, quality, and compliance with rigorous industry standards.

Driven by a focus on innovation, customer satisfaction, and continuous improvement, BradSmart Phils. Co. is positioned for long-term growth and sustainability. The company welcomes strategic partnerships and investment opportunities that align with its mission of contributing to a more reliable and energy-efficient future.

MISSION

Our mission is to deliver exceptional electrical solutions through innovation, efficiency, and outstanding customer service. Based in Bulacan, Philippines, we specialize in panel board fabrication, electrical contracting, and supply services. We are dedicated to providing high-quality and safe electrical products while continuously improving our practices to meet the highest industry standards. Our goal is to exceed client expectations and build lasting trust by fostering strong relationships and delivering superior craftsmanship and reliable service.

VISION

Our vision is to lead the electrical fabrication industry by delivering unparalleled quality and adhering to ISO standards. We aim to set the benchmark for excellence by providing innovative electrical solutions that prioritize safety, efficiency, and sustainability. As the industry evolves, we strive to stay ahead by leveraging ISO standards to guide our progress, ensuring we consistently exceed the expectations of today's market.

CORE VALUES

- Integrity - We conduct business honestly and transparently, honoring our commitments to clients, partners, and employees.
- Reliability - We deliver what we promise—on time, with clear communication and consistent execution.
- Accountability - We take responsibility for our work, our decisions, and our results at every stage of the process.
- Quality and Safety - We follow proper standards, procedures, and safety practices to ensure dependable products and services.
- Continuous Improvement - We constantly review and improve our systems, skills, and processes to serve our clients better.
- Teamwork - We work collaboratively across departments, valuing respect, coordination, and shared goals.
- Customer Focus - We listen to our clients' needs and provide practical, well-coordinated solutions.

PRODUCTS AND SERVICES

Power Distribution

- Panel Boards
- Main Distribution Panel (MDP)
- Low Voltage Switchgear
- Manual Transfer Switch (MTS)
- Automatic Transfer Switch (ATS)
- Enclose Circuit Breaker (ECB)
- Unitize Panel Board

Cable Management

- Wireways
- Cable Tray
- Cable Ladder
- Meter Centers
- Pull Box
- Busbar Gutter
- Breaker Gutter

Electrical Enclosures

- NEMA 1
- NEMA 3R
- NEMA 4X
- NEMA 12

Services

- Powder Coating
- Panel Retrofitting
- Laser Cutting
- Customized Metal Products

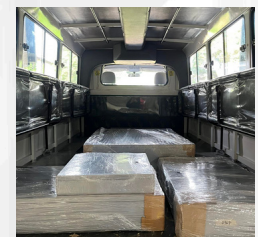

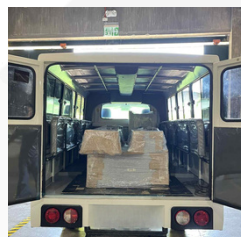

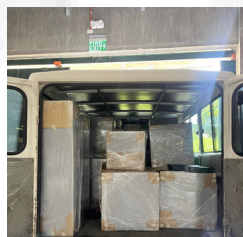

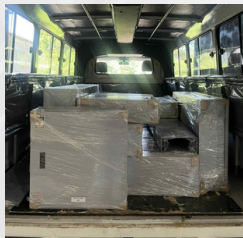

DELIVERY OPTIONS

At BradSmart Phils. Co., we ensure the timely and efficient delivery of our fabricated products, including panel boards and other electrical solutions. To meet our clients' specific needs, we offer the following delivery options:

- Direct Delivery to Client Locations: Whether it's an office, plant, or project site, our team ensures your orders are delivered with care and precision.
- Cargo Shipment: For bulk orders or shipments to distant locations, we coordinate secure cargo shipping services to ensure safe delivery.
- Lalamove: For smaller or urgent deliveries, we utilize Lalamove for a fast and reliable service.
- Client Pick-Up: Clients are welcome to pick up their orders directly from our facility.

Our goal is to provide flexible delivery solutions tailored to the unique requirements of our clients.

FINISHED PRODUCTS

Our finished products are fabricated in accordance with approved drawings and project specifications. Each unit is properly assembled and inspected to ensure accuracy, functionality, and safety. Quality control checks are conducted prior to release to confirm compliance with company standards. All products are delivered ready for installation and use.

MACHINES AND EQUIPMENT

Our production facility is equipped with modern machines and equipment that support accurate fabrication and efficient assembly. These machines are used for cutting, bending, busbar processing, coating, and testing of electrical components. Regular maintenance and proper handling ensure consistent performance and reliable output. This enables us to deliver products that meet project requirements and quality standards.

Busbar Benders:

- Manual Busbar Bender
- 3 in 1 Busbar Bender
- 3 in 1 Busbar Processing Machine

Welding Machines:

- MIG Welding Machines (250 Series)
- MIG Welding Machines (220 Series)
- MIG Weld Inverters
- Laser Cutting Machine

Bending Presses:

- Manual Bending Press

Point Welders:

- AC Point Welder

Mechanical and Power Presses:

- Power Press (Various Capacities including 5 Tons)

Drilling Equipment:

- Drill Press
- Speed Drill Press

Coating and Finishing:

- Oven
- Powder Coating Equipment

Shearing Machines:

- NC Shearing Press
- Manual Shearing Machine
- Fiber Laser Machine
- Mechanical Shearing Machine
