About Us

BradSmart Phils. Co., established in January 2019, began its operations in Quezon City and is now proudly based in Sta. Maria, Bulacan, Philippines. As a growing and trusted provider of electrical panel board fabrication, supply, and technical services, the company has built a solid reputation for delivering reliable and precision-engineered power distribution solutions across residential, commercial, and industrial sectors.

Since its relocation to Bulacan, BradSmart has expanded its capabilities to better serve clients throughout Luzon and nearby regions. This strategic move has strengthened the company's logistics and production capacity, allowing for more efficient operations and faster response times. Every product is designed and fabricated with a strong commitment to safety, quality, and compliance with rigorous industry standards.

Driven by a focus on innovation, customer satisfaction, and continuous improvement, BradSmart Phils. Co. is positioned for long-term growth and sustainability. The company welcomes strategic partnerships and investment opportunities that align with its mission of contributing to a more reliable and energy-efficient future.

Vision & Mission

Vision

Our vision is to lead the electrical fabrication industry by delivering unparalleled quality and adhering to ISO standards. We aim to set the benchmark for excellence by providing innovative electrical solutions that prioritize safety, efficiency, and sustainability.
